III. PURPOSE

This Copyright & Licensing Form establishes the rights and licensing arrangements governing the publication and dissemination of the manuscript by the Global Interdisciplinary Research and Publishing Collective (GIRPC) Journal.

The purpose of this Form is to protect the intellectual property rights of authors while providing GIRPC with the necessary rights to publish, distribute, preserve, and make the accepted article publicly accessible.

GIRPC is committed to a publishing model in which authors retain ownership of their intellectual work while enabling the scholarly community to access, share, and reuse published research under clearly defined licensing conditions.

This Form becomes effective upon formal acceptance of the manuscript for publication.

IV. AUTHOR'S COPYRIGHT DECLARATION

The Corresponding Author, acting on behalf of all co-authors, confirms that:

- ☐ The manuscript is the original work of the listed authors.
- ☐ The authors own the copyright in the manuscript or have the lawful authority to grant the rights specified in this Form.
- ☐ All authors have reviewed and approved the final version of the manuscript.
- ☐ All authors have agreed to its submission and publication by GIRPC.
- ☐ The manuscript does not knowingly infringe the copyright or other intellectual property rights of any third party.
- ☐ All required permissions have been obtained for copyrighted material belonging to third parties.
- ☐ Appropriate acknowledgement has been provided for material derived from other sources.

V. RETENTION OF COPYRIGHT

The authors retain copyright ownership of the manuscript.

Copyright is not transferred to GIRPC through this Form.

The authors retain ownership of their intellectual property subject to the publishing rights granted to GIRPC and the public-use rights established by the applicable Creative Commons licence.

Nothing in this Form shall be interpreted as requiring the authors to surrender ownership of copyright to GIRPC.

VI. LICENCE GRANTED TO GIRPC

Upon acceptance and publication of the manuscript, the authors grant the Global Interdisciplinary Research and Publishing Collective (GIRPC) a non-exclusive, worldwide, royalty-free licence to:

- publish the article;
- reproduce the article in electronic and, where applicable, print formats;
- make the article publicly accessible through the Journal's website;
- distribute the published article;
- archive and preserve the article;
- include the article in appropriate indexing, abstracting, repository, and scholarly-discovery services;

- reproduce the article as reasonably necessary for digital preservation and accessibility;
- display the article's bibliographic and publication information; and
- identify GIRPC as the original publisher of the published version.

This licence does not transfer copyright ownership to GIRPC.

VII. CREATIVE COMMONS LICENCE

The authors agree that, upon publication, the article shall be made available under the:

Creative Commons Attribution-NonCommercial 4.0 International Licence (CC BY-NC 4.0)

Under this licence, readers may, subject to the terms of the licence:

- share the published work;
- copy and redistribute the work;
- adapt, remix, transform, and build upon the work for non-commercial purposes; and
- use the work with appropriate attribution.

Users must comply with the conditions of the applicable Creative Commons licence, including appropriate attribution and identification of changes where applicable.

Commercial Use

Commercial use of the published article is not permitted under the CC BY-NC 4.0 licence without additional authorization from the relevant copyright holder.

Accordingly, an individual or organization wishing to use the article for a commercial purpose must obtain separate permission from the copyright holder where such permission is required.

The Journal may assist in directing permission requests to the appropriate rights holder but does not automatically grant commercial-use rights through publication.

VIII. AUTHOR RIGHTS

Subject to the applicable licence and the rights granted to GIRPC, authors retain the right to:

- ☐ Use their work for teaching and educational purposes.
- ☐ Include the work in a thesis or dissertation.
- ☐ Use the work in future scholarly works authored or edited by them.
- ☐ Share the published article in accordance with the CC BY-NC 4.0 licence.
- ☐ Deposit the article in appropriate institutional or subject repositories in accordance with the applicable licence and Journal policies.
- ☐ Present the work at academic and professional conferences.
- ☐ Create non-commercial adaptations of their work.
- ☐ Receive recognition and attribution as the author(s) of the work.

IX. THIRD-PARTY MATERIAL

The authors acknowledge that certain content contained within the manuscript may belong to third parties and may not automatically be covered by the Creative Commons licence applied to the article.

The authors confirm that:

- ☐ Third-party material has been properly identified where applicable.
- ☐ Required permissions have been obtained.
- ☐ Appropriate source acknowledgements have been provided.
- ☐ Any restrictions relating to third-party material have been clearly indicated.
- ☐ Documentation of permissions can be provided to GIRPC upon request.

Third-party material may include photographs, illustrations, figures, tables, substantial quotations, datasets, maps, previously published material, or other protected works.

X. MORAL RIGHTS AND ATTRIBUTION

Nothing in this Form is intended to waive or transfer any moral rights that authors may retain under applicable law.

Users of the published article must provide appropriate attribution to the original author(s) and acknowledge GIRPC as the original publisher where required by the applicable licence.

XI. POST-PUBLICATION

The authors acknowledge that publication establishes the article as part of the scholarly record.

Any correction, amendment, expression of concern, withdrawal, or retraction shall be handled in accordance with the Journal's applicable Publication Ethics and Retraction & Correction Policy.

The retention of copyright by the authors does not prevent GIRPC from taking reasonable editorial or publishing actions necessary to preserve the accuracy and integrity of the scholarly record.

XII. AUTHOR CERTIFICATION

I, the undersigned Corresponding Author, certify that:

- ☐ I have read and understood this Copyright & Licensing Form.
- ☐ I am authorized to complete this Form on behalf of all co-authors.
- ☐ All co-authors have reviewed and agreed to the copyright and licensing arrangements contained herein.
- ☐ The authors retain copyright ownership of the manuscript.
- ☐ I understand the publishing rights granted to GIRPC.
- ☐ I understand that the published article will be made available under the CC BY-NC 4.0 licence.
- ☐ I understand that the CC BY-NC 4.0 licence permits non-commercial reuse subject to its terms but does not grant automatic permission for commercial use.
- ☐ The information provided in this Form is complete and accurate to the best of my knowledge.

XIII. FINAL DECLARATION

I hereby confirm, on behalf of all co-authors, that we have carefully read and understood this Copyright & Licensing Form and voluntarily agree to its terms.

We understand that:

- Copyright remains with the author(s).
- GIRPC receives the necessary rights to publish, distribute, archive, preserve, and disseminate the article.
- The published article is made available under the Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0) licence.
- Commercial reuse is not automatically permitted under that licence.
- This agreement becomes effective upon formal acceptance of the manuscript for publication.
